How to Enroll Online

Website Instructions

Log in to acbl.ultipro.com using your ACBL email address and password.

Go to:

- Menu
 - Benefits
 - Manage My Benefits
 - Click "Get Started"

If you are logging in through the website on a phone:

- Click the menu button in the upper left corner
- Go to the bottom of the menu and click on "View Desktop Version" before you begin.

Follow the on-screen instructions as the system guides you through each benefit.

If you do not want a certain benefit, you must click on "Decline Coverage" to move on to the next benefit.

To complete the election process:

- Confirm the enrollment
- Click "Check Out"

If the system does not give you an option to confirm, that means you have skipped a benefit.

Mobile App Instructions

To access your benefits via UKG Mobile App:

- Open the App
- Click on "Benefits"
- Click on "Update My Benefits"

If you have questions about enrolling, call or text 812-799-2236 ext 5.

Understand Your Benefits

New Hire Default Enrollments

IMPORTANT: Newly hired or newly eligible Team Members who do not complete the enrollment process within 30 days will automatically be enrolled as a tobacco user in the Basic PPO coverage and ONLY in the other fully employer-paid benefit programs: basic life insurance, basic accidental death and dismemberment (AD&D), and long-term disability (LTD). You will not be enrolled in dental, vision, or any other optional/voluntary programs, such as optional life insurance (employee, spouse, or child), nor will any family members (spouse/children) have any benefit coverage.

Compensation for Benefit Purposes

For benefits that are based on your pay or annual salary, your pay will be based on your rate of pay as of October 1, 2022 or your hire date, whichever is later.

Your Benefits

Effective Dates

Your benefits take effect January 1, 2023, or after you have completed 30 days of continuous employment, whichever is later. Changes to your voluntary benefits, such as Optional Group Life and Voluntary Accidental Death and Dismemberment (AD&D) insurance, may be delayed if you are away from work due to disability or leave of absence on the effective date.

If you elect Dependent Life Insurance coverage for your spouse or child, and they are hospitalized on the effective date, any changes to this coverage will take effect when the dependent is discharged from the hospital.

Eligibility

Generally, if you are a regular full-time Team Member (30+ hours per week) who has completed 30 days of continuous employment, you may elect coverage for yourself for the coming year. Dependent coverage is available for your spouse (provided you are legally married*) and children under the age of 26, regardless of whether the child has access to coverage under another employer's insurance.

Paying for Your Benefits

Each benefit you elect has an associated Team Member cost. These costs will be paid through regular payroll deduction on either a before-tax or after-tax basis. Payroll deductions will be taken each pay period.

- Before-tax deductions include those for medical, dental and vision coverage, Group Critical Illness and Group Accident, as well as for FSAs, your HSA, and the 401(k) Plan.
- After-tax deductions include Optional Life Insurance, Voluntary AD&D Insurance, Dependent (Spouse/Child) Life Insurance, MetPay Voluntary Benefits, Allstate Identity Protection and the Roth 401(k).

Additionally, the company provides you with Basic Life Insurance**, Basic AD&D Insurance, and Disability Coverage (Short Term Disability – Pay Continuance and Long Term Disability**) at no cost to you.

Important Note

Don't forget to designate a beneficiary for Life Insurance and AD&D Insurance!

* Includes same-sex marriages. and common-law marriages in states that recognize them. Documentation is required.

** Imputed Income – The IRS places a taxable value on the cost of group term life insurance coverage that exceeds \$50,000 and the cost of employer-paid LTD premiums (if this option is chosen). This is called “imputed income.” ACBL is required by IRS regulations to include the amount of this income in your wages. Income tax will be withheld from each of your regular paychecks, and the amount of your imputed income will be included as part of your taxable wages on your W-2 statement.

Your Benefits

Your Enrollment Elections

You must submit enrollment elections during the Benefits Open Enrollment period if one or more of the following applies:

- You want to make changes to your medical, dental, or vision coverages
- You want to contribute to a Flexible Spending Account (FSA) or Health Savings Account (HSA)
- You want to add, change, or terminate coverage for a dependent
- You want to enroll in or make changes to your voluntary benefit offerings
- The spousal and/or tobacco-user surcharges are not applicable to you

Enrolling New Dependents

If you choose to add new dependents to your coverage, either during the Benefits Open Enrollment or due to a qualified change in family status, you will be required to provide the dependents' Social Security numbers and proof of eligibility. Proof of eligibility may include, but is not limited to, birth certificates and marriage certificates.

Important Note:

Changes to your benefits can only be made during the Benefits Open Enrollment period, unless you experience a qualified change in family status. Qualified changes in family status include birth, adoption, marriage, divorce, or special enrollment rights as required by HIPAA. If you experience a qualified change in family status, you must enroll within 60* days of the event. To add, change or terminate coverage for a dependent due to a qualified event, you must do so within 60* days of the event. Otherwise, you will not be able to change your elections until the next annual enrollment period.

* There is a limited grace period in certain circumstances. See Special Enrollment Rights section for additional details.

Notable Changes for 2023

Anthem

Beginning January 1st, ACBL's Medical Coverage will be administered through Anthem. Under Anthem, more providers will be in-network which saves you and your family money.

Quantum Health

ACBL will partner with Quantum Health for claims and coverage inquiries. Quantum Health will act as an advocate between you and Anthem. You will not need to contact Anthem directly for customer service support.

The ACBL dedicated concierge service team at Quantum will be able to assist with:

- Addressing questions regarding medical coverage, plans, and claims
- Answering high-level prescription concerns
- Locating in-network providers
- Connecting you with other benefit carriers (dental, vision, etc.)
- Providing ID cards

Better Benefits at a Lower Cost

All three of our medical coverage options are now offered at a lower premium! See page 8 for rates.

Our Premium and Basic PPO plans have a lower deductible this year.

Our Value HDHP now has a lower co-insurance rate. See page 9 for plan details.

Free Medical Option!

Pay \$0 in medical premiums if you:

- Enroll in the Team Member Only Value High Deductible Health Plan (HDHP) **and**
- Reach ACBL Gold Wellness

See page 12 for more about the Value HDHP plan and page 16 for more about ACBL Wellness.

Life Insurance

For 2023, you are now able to increase your life insurance without Evidence of Insurability.

Livongo

Team Members and their families enrolled in the Basic or Premium plans will now have free access to Livongo by Teladoc Health. Livongo helps users control their diabetes and blood pressure by:

- Connecting you to a physician or coach
- Shipping equipment directly to you
- Providing results and tips directly to your smart device

Hinge Health

Team Members and their families enrolled in the Basic or Premium plans will now have free access to Hinge Health. Hinge Health helps users regain mobility in their back and joints, reduce pain, and avoid surgery by :

- Providing you a tracking unit and tablet that you use for exercises
- Targeting and tracking your movements to provide guided support

IMPORTANT:

Spousal Surcharge: Unless you indicate during the enrollment process that your spouse is not employed or that your spouse's employer does not offer a medical plan, you will be required to pay an additional \$100 per month to enroll your spouse in the ACBL medical plan. Note: Medicare is not considered other coverage.

Tobacco Users: Unless you (and your spouse, if covered) indicate during the enrollment process that you are tobacco-free or complete the tobacco cessation program, you will be required to pay an additional \$50 per month (per tobacco user). If you complete the tobacco cessation program, the \$50 per month surcharge will stop at the end of the pay period that ACBL receives notice that the program has been successfully completed. See the ACBL Wellness Program section for more details.

Opting Out of Coverage

If you choose not to enroll in ACBL medical coverage and have minimum essential coverage (MEC) outside of the ACA exchange, ACBL will credit you \$30 per month (taxable income). To receive the \$30 per month credit, you must verify annually that you have other coverage (MEC).

PPO Prescription Drug Coverage

Both the Premium PPO Plan and the Basic PPO Plan have the same prescription drug coverage benefits and are provided through Express Scripts. The below benefit does **not** apply to the Value HDHP plan.

Express Scripts Drug Plan	Retail Pharmacy	Home Delivery Pharmacy
Each Generic Prescription	\$10 copay	\$25 copay
Each Formulary (brand-name) Prescription	\$40 copay	\$100 copay
Each Non-Formulary (brand-name) Prescription	\$75 copay	\$190 copay
Each Specialty Medication Prescription*	20% Coinsurance; \$150 maximum for a 34 day supply / \$300 maximum for 100 day supply.	
Out-of-Pocket Maximum	Individual \$4,000 / Family \$8,000	
Each Tobacco Cessation Product Prescription**	100% coverage (no copay or deductible)	100% coverage (no copay or deductible)
Maximum Day Supply (each prescription)	34 days	100 days

Out-of-Pocket Maximums do not apply to out-of-network pharmacies.

While you may elect to purchase maintenance drugs at a retail pharmacy, the plan will only cover the cost of the original prescription plus two refills at a retail pharmacy. You will pay 100% of the cost of the drug if you continue to purchase your maintenance medications at a retail pharmacy. This cost will not count toward your deductible or your out-of-pocket maximum.

Birth control medications (generic and single-source brand) will be available at no cost (with no copay or deductible required).

Note: There are some prescription drugs that are not covered by the ACBL pharmacy program or that require prior authorization or step therapy.

SaveOnSP

Team Members and spouses enrolled in the Premium PPO or Basic PPO are eligible to enroll in SaveOnSP. SaveOnSP is a coupon service that provides discounts on specialty prescriptions. Contact SaveOnSP at 1-800-683-1074 for more details.

* Requires use of Express Scripts Specialty Pharmacy.

** This benefit applies to adults whose age is greater than 18 years old. Maximum supply per 365 days is 180 days. After 180 days, standard copays apply.

Flexible Spending Account (FSA)

A Flexible Spending Account (FSA) lets you save on health and dependent care expenses using before-tax money. Three kinds of FSAs are available – a Health Care FSA, a Dependent (Day) Care FSA, and a Limited Use Health Care FSA. The limited use Health Care FSA is only available with the Value HDHP. See page 13 for more information.

Everyday Savings

Saving is simple. When you enroll in an FSA, you set aside some of your pay before taxes to use on eligible expenses. For the health care FSA, you can start small with a minimum contribution of \$120 per year, or you can contribute up to \$2,850 per year (limits subject to change annually). For the dependent (day) care FSA, you can contribute up to \$5,000. The more you put in, the more you save on your taxes – up to thousands of dollars.

It's Covered!

You can use your FSAs to save on hundreds of products and services for you and your family.

Health Care FSA (Not available with the Value HDHP)

- Prescriptions and over-the-counter medicines
- Co-payments, coinsurance and deductibles – but not premiums
- Orthodontia for children and adults
- Vision care
- Counseling and therapy (including psychology and psychiatry)
- Chiropractic care, acupuncture and some other alternative treatments
- Items such as crutches and bandages

Dependent (Day) Care FSA (Available with any of the health plan options)

- Babysitting or Au Pair services
- Before-school and after-school programs
- Day care and nursery schools
- Pre-school programs
- Elder care services

Claims with receipts should be filed directly with WEX for reimbursement from your Dependent Care account. You must have the required balance in your account before a reimbursement can be made.

Easy as a Debit Card

Wondering if the health care FSA might be a hassle? Don't. This program is built for maximum convenience with on-the-spot access to your account funds using the pre-paid debit card. Simply swipe the card at your physician's office or pharmacy, and eliminate the hassle of filing claims and waiting for reimbursement.

Make It Your Own

It's your account; and you decide how to use it. You can choose to participate in just a health care account, just a dependent (day) care account, or both – and choose how much to set aside in each. For more information regarding the FSA program, visit www.WexInc.com or call 866-451-3399 (Monday through Friday, 6:00 a.m. – 9:00 p.m. CST).

Use It or Lose It

IRS rules require that you forfeit unspent account funds. You will be eligible to carryover up to \$500 in unused Health Care FSA dollars. Any amounts over \$500 will be forfeited.

Avoid Problems – Save Your Receipts!

Because the card must be used only for eligible expenses, it is important to save all your health care receipts in case of audit, and to ensure that there are no problems with your card.

If you use your card for an invalid transaction or fail to substantiate a claim, you may be taxed on that amount.

Value High Deductible Health Plan (HDHP)

The Value HDHP is designed to offer you high quality health care at a low cost.

What to Know

With the Value HDHP plan, you will pay for your initial medical costs (except for preventive care) until you meet your annual deductible, and then you pay a percentage of any remaining costs until you reach the annual out-of-pocket maximum. Once you reach your out-of-pocket maximum as determined by your plan, your Value HDHP will pay 100% of in-network charges for the remainder of the plan year.

Free In-Network Preventive Care

As with all ACBL Health Plans, in-network preventive care is fully covered under the Value HDHP. You will pay nothing towards your deductible and no copays as long as you receive preventive care from in-network providers.

Access to the HSA

Your per-paycheck costs are lower compared to the PPO plans, giving you the opportunity to contribute the cost savings to a tax-free (federal taxes) Health Savings Account (HSA). Enrollment in HSA is optional. You are only eligible to open a Health Savings Account (HSA) if you are enrolled in the Value HDHP. See page 13 for more details.

Combined Deductible with Your Prescription Plan

Enrollment in the Value HDHP includes Prescription Coverage. Both your Medical and Pharmacy plans will share one deductible. Once this single deductible is met, your prescriptions and medical claims will be covered at 80% until you reach your out-of-pocket maximum.

Free Medical Option!

Team Members who enroll in the Team Member Only Value HDHP Medical plan **and** reach Gold ACBL Wellness will pay \$0 per month in premiums.*

*Cost after Wellness credits are applied. See page 16 for more details on our Wellness Program.

Health Savings Account (HSA)

A Health Savings Account (HSA) is a tax-free savings account that you can use to pay for eligible health expenses.

HSA Eligibility

- Must be enrolled in the Value HDHP.
- Cannot be covered by any other medical plan that is not a qualified high deductible plan. This includes a spouse's medical coverage unless it's an HSA-qualified plan.
- Cannot be enrolled in a traditional health care FSA in 2023. However, you may still be eligible for a limited purpose FSA.
- Cannot be enrolled in Medicare, including Parts A or B, or TRICARE.
- Cannot be claimed as a dependent on another person's tax return.

Cannot be a veteran who has received treatment, other than preventive care, through the Department of Veterans Affairs within the past three months.

Benefits

Build tax-free savings for health care

You can make before-tax deposits from your paycheck into your HSA, allowing you to save money by using tax-free dollars to pay for eligible medical, prescription, dental, and vision expenses. The total amount that can be contributed to your HSA each year is limited by the IRS. The following limits for 2023 are:

- Up to \$3,850 for Team Member only coverage
- Up to \$7,750 if you cover dependents
- You can contribute an additional \$1,000 to these limits if you are age 55 or older

Never pay taxes

Contributions are made on a before-tax basis, and your withdrawals will never be subject to federal income taxes when used for eligible healthcare expenses. Any interest or earnings on your HSA balance build tax-free, too.*

Keep your money

Unlike an FSA, the money in your HSA is always yours to keep and can be rolled over from year to year. You can take your unused balance with you when you retire or leave the company.

Use it like a bank account

Pay for eligible medical, prescription, dental, and vision expenses for yourself and your family by swiping your HSA debit card, or reimburse yourself for payments you've made (up to the available balance in your account). Spend your money on:

- Deductibles
- Coinsurance
- Prescription drugs
- Out-of-pocket expenses

You may only access money that is in your HSA when making a purchase or withdrawal. There's no need to turn in receipts, but you should keep them for your records.

Limited Purpose FSA

(Only available with the Value HDHP)

- Unlike a traditional FSA, a limited purpose FSA can be used in conjunction with an HSA
- Can only use for non-medical expenses such as for dental and vision claims

* Money in an HSA grows tax-free and can be withdrawn tax-free if it is used to pay for qualified health care expenses (for a list of eligible expenses, see IRS Publication 502, available at www.irs.gov). If money is used for ineligible expenses, you will pay ordinary income tax on the amount withdrawn plus a 20% penalty tax if you withdraw the money for ineligible expenses before age 65. After age 65, withdrawals for ineligible expenses are only subject to ordinary income tax. Please review your state regulations as you may have to pay state taxes depending on your residency.

Comparing the HSA and FSA

There are two types of health care savings plans; FSA and HSA. Both savings plans are administered through WEX Benefits.

Eligibility

Eligibility for the savings plans depend on which medical plan you are enrolled in.

Value High Deductible Health Plan (HDHP)	Basic PPO	Premium PPO
HSA Dependent (Day) Care FSA Limited Use FSA	Health Care FSA Dependent (Day) Care FSA	Health Care FSA Dependent (Day) Care FSA

Savings Accounts

The HSA and FSAs have different rules.

	HSA	FSA
Change contribution amount any time	Yes	No
Accessing the money	Only funds that have been deposited so far	Access your entire annual contribution amount from the beginning of the year
Saving the money	The money is always yours	“Use-it-or-lose-it” at the end of year, with the ability to carryover up to \$500

HDHP Prescription Drug Coverage

The HDHP Medical Coverage includes this HDHP Prescription Coverage provided through Express Scripts. The medical and prescription plans share a deductible, which must be met before the plan begins to cover prescriptions.

Express Scripts Drug Plan	Retail Pharmacy	Home Delivery Pharmacy
Annual Deductible	Combined with Medical Deductible	
Each Generic Prescription	80% covered after deductible	
Each Formulary (brand-name) Prescription	80% covered after deductible	
Each Non-Formulary (brand-name) Prescription	80% covered after deductible	
Each Specialty Medication Prescription*	80% covered after deductible; \$150 maximum for a 34 day supply / \$300 maximum for 100 day supply	
Out-of-Pocket Maximum	Individual \$6,000 / Family \$12,000 (shared with medical plan)	
Each Tobacco Cessation Product Prescription**	100% covered (no copay or deductible)	100% covered (no copay or deductible)
Maximum Day Supply (each prescription)	34 days	100 days

* Requires use of Express Scripts Specialty Pharmacy.

** This benefit applies to adults whose age is greater than 18 years old. Max supply per 365 days is 180 days. After 180 days, standard copays apply.

- Out-of-Pocket Maximums do not apply to out-of-network pharmacies.
- While you may elect to purchase maintenance drugs at a retail pharmacy, the plan will only cover the cost of the original prescription plus two refills at a retail pharmacy. You will pay 100% of the cost of the drug if you continue to purchase your maintenance medications at a retail pharmacy. This cost will not count toward your deductible or your out-of-pocket maximum.
- In addition, birth control medications (generic and single-source brand) will be available at no cost (with no copay or deductible required).

Wellness Program

Participate in the ACBL Wellness Program to reduce the amount you pay for medical benefits in 2023 by up to \$100 per month (per eligible Team Member and Spouse). There are two levels of Wellness that can be reached.

Silver Wellness

Save \$50/month

Required:

1. Health Check Survey
2. Biometric Screening

Gold Wellness

Save an additional \$50/month

Required:

1. Reach Silver Wellness
2. Earn 6,000 points in Virgin Pulse

Virgin Pulse

ACBL's Wellness Program is administered through a 3rd party vendor - Virgin Pulse. With over 6,000 companies using the service, you can trust that your health information is safe and private.

Removing the Tobacco Surcharge:

You and/or your spouse can remove the tobacco surcharge by completing a "Be Tobacco-Free Coaching Session" through Virgin Pulse. See ACBLWellness.com for more information.

Save more together... WAY MORE!

While all Team Members (and covered spouses) are eligible to participate in the wellness program, only Team Members and spouses who are covered under the ACBL medical plan are eligible for premium reductions. If you are unable to participate in wellness due to a health or religious reason, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting the ACBL Wellness Team at ACBLBenefits@bargeACBL.com.

Privacy and Confidentiality

All medical information obtained through the wellness program will be maintained by the wellness provider Virgin Pulse. ACBL will not receive results of any individual's biometric screening or health check survey information. ACBL will only receive information on who completed the tests or programs to administer the incentive or other program rewards. ACBL will only receive biometric test results or health check survey results on an aggregated basis and will not be able to identify any individual's test results.

American Commercial Barge Line's (ACBL's) Wellness Program is a voluntary wellness program available to all Team Members and spouses. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. No information you provide as part of the wellness program will be used in making any employment decision.

Dental Plan

ACBL offers two dental plan options (administered and insured by Delta Dental of Indiana).

While both plans offer in and out-of-network benefits, different levels of coverage are available to meet your specific needs.

For maximum savings, verify your dentist is in-network by contacting Delta Dental of Indiana.

Dental Feature	Basic Dental Option	Premium Dental Option
Annual Deductible (individual/family)	\$50/\$150	\$50/\$150
Annual Maximum Benefit (per covered person)	\$1,000	\$2,000
Preventive Care	100%, no deductible	100%, no deductible
Basic Restorative Care	80% covered after deductible	80% covered after deductible
Major Restorative Care (including implants)	Not covered	50% covered after deductible
Orthodontia (for children under the age of 26)	Not covered	50% covered; no deductible
Orthodontia Lifetime Maximum	N/A	\$2,000

* Out-of-Network services are limited to Reasonable and Customary charges

Your Cost for Coverage

Your monthly cost for dental coverage is:

Coverage Tier	Basic Dental Option	Premium Dental Options
Team Member Only	\$16.26	\$23.54
Team Member + Spouse	\$32.53	\$47.11
Team Member + Child(ren)	\$44.87	\$64.86
Family	\$64.43	\$93.25

Signature Vision Plan

ACBL offers the Vision Services Plan (VSP) Signature Vision Plan. The plan pays according to a schedule of covered services that is insured through VSP. While you can choose to use any vision care provider, there are advantages to using VSP's nationwide provider network. By receiving services from a participating network provider, you avoid having to file claim forms and you receive a higher plan benefit (meaning lower costs for you).

Covered Services	Frequency	VSP Network Provider Coverage	Out-of-Network Maximum Reimbursement

If you use a VSP network provider then the plan includes coverage for blended, progressive, polycarbonate, U/V protection, oversized, scratch resistant and tinted/dyed lenses. The VSP Signature Plan also offers extra discounts and savings (when using a participating network provider), including:

- 30% savings on additional glasses and sunglasses from the same provider
- Discounts on laser vision correction procedures (such as LASIK and PRK) from contracted facilities

Your Cost for Coverage

Your monthly cost for vision coverage is:

Coverage Tier	Monthly Cost
Team Member Only	\$9.41
Team Member + Spouse	\$13.48
Team Member + Child(ren)	\$16.14
Family	\$25.80

Life and AD&D Insurance

Basic Life and Accidental Death & Dismemberment (AD&D Insurance)

Your coverage under each of these programs is equal to one times your base salary, with a minimum coverage amount of \$50,000 and a maximum of \$750,000. The company pays the full cost of this coverage.

Accidental Death and Dismemberment pays a benefit if you lose a limb, eyesight, or the ability to speak or hear due to an accident. For some losses (such as loss of life, loss of both hands, loss of both feet or loss of eyesight in both eyes), the full coverage amount is payable; for others, a portion of the coverage amount is payable.

Optional Group Life Insurance

Under the Optional Group Life insurance, you may purchase additional life insurance protection to meet your needs.

Any election greater than \$500,000 or 5X salary will require Evidence of Insurability (EOI).

Newly hired Team Members choosing this benefit within the first 30 days of employment can choose a maximum of up to the lesser of 5 times annual base salary or \$500,000, if applicable, without EOI.

The cost of coverage is based on your age and the amount of coverage you have selected.

Monthly Rates by Age											
Age	< 30	30-34	35-39	40-44	45-49	50-54	55-59	60-64	65-69	70-74	75+

The enrollment system will calculate the payments for you!

Choose a Beneficiary

Don't forget to choose a beneficiary for your policy.

Important Note: Evidence of Insurability

Depending on the coverage level elected, underwriting approval may be required before the full benefit amount will become effective. The Hartford may require an Evidence of Insurability (EOI) questionnaire to be completed. If you have made an Optional Life Insurance or a Spouse Life Insurance election that requires EOI, you will receive instructions by email or USPS to complete the EOI process online. The requested coverage amount will remain in Pending status until the EOI form is approved by The Hartford.

Spouse Life and AD&D Insurance

You may elect coverage for your spouse through the Spouse Life Insurance. Coverage for your spouse may not exceed 50% of the sum of your Basic Life Insurance and your Optional Group Life Insurance.

If you elect more than \$100,000 in coverage, Evidence of Insurability (EOI) is required.

Newly hired Team Members choosing this coverage within the first 30 days of employment can choose up to \$100,000 without EOI. The cost of coverage is based on your spouse's age and the amount of coverage you have selected.

Monthly Rates by Age											
Age	< 30	30-34	35-39	40-44	45-49	50-54	55-59	60-64	65-69	70-74	75+

If you have made an Optional Life Insurance or a Spouse Life Insurance election that requires EOI, you will receive instructions by email or USPS to complete the EOI process online. The requested coverage amount will remain in Pending status until the EOI form is approved by The Hartford.

Child Life and Voluntary AD&D Insurance

Optional Child Life Insurance

Dependent child coverage is offered at either \$10,000 or \$20,000. This cost covers all eligible children and is not per child.

Coverage Level	Monthly Rate
\$10,000	\$0.26
\$20,000	\$0.52

Voluntary Accidental Death & Dismemberment (AD&D) Insurance

The Voluntary AD&D program pays a benefit if you or a covered dependent dies or loses a limb, eyesight or the ability to speak or hear due to an accident. You may purchase coverage for yourself only or for your family at the following levels.

Coverage Level	Monthly Rate	
	Individual	Family
\$10,000	\$0.36	\$0.47
\$25,000	\$0.90	\$1.18
\$50,000	\$1.80	\$2.35

\$225,000	\$8.10	\$10.58
\$250,000	\$9.00	\$11.75

Under the Voluntary AD&D Benefit, if you elect Family coverage, you are insured for the full coverage amount and your spouse and/or dependent children are covered for the amounts as detailed below:

- Spouse and Child(ren): 40% for your spouse only and 10% for each child of your Voluntary AD&D election amount
- Spouse Only: 50% of your Voluntary AD&D election amount
- Child(ren) Only: 15% of your Voluntary AD&D election amount for each child

Group Critical Illness

This benefit (insured by The Hartford) pays a specific dollar amount when a diagnosis of a specific illness, such as cancer, is made, or when a specific event, such as a heart attack or stroke, occurs. If you qualify for a payment, you can spend the money in any way you choose. You can use it to pay expenses not covered by the medical plan, such as day care, special transportation to/from treatments or for unique treatments. Or you can use it to pay deductibles and co-payments in the medical plan.

There are two Group Critical Illness options to choose from: the Low Option and the High Option.

Benefit Amounts	Low	High
Initial Critical Illness Benefits		
Heart Attack (100%) ²	\$15,000	\$30,000
Stroke (100%) ²	\$15,000	\$30,000

Prosthesis/Wig Benefit	\$500	\$500
Additional Benefit		
Wellness Benefit (per year)	\$50	\$50

Spouse benefit amounts are 50% of the basic benefit amounts listed above.

If enrolling a child in Critical Illness the face value of their benefit is \$5,000 regardless of the coverage level elected, however, benefit reductions may apply as determined by The Hartford.

Please Note: Because you pay for this benefit with Pre-Tax payroll deductions, any payment you receive may be subject to taxation. You may receive a Form 1099 from The Hartford. Please consult your tax advisor.

¹Pays same amount as Initial Critical Illness Benefit

²May be eligible for a second event benefit

Disability

Short-Term Disability/Pay Continuance

Short-Term Disability (STD)/Pay Continuance benefits provide income protection in the event of an extended illness or injury. This benefit is available to you, free of charge. Important details to consider:

- STD/Pay Continuance benefits are equal to a percent of your base salary, based on years of service for up to 26 weeks. These payments are taxable.
- If you are still disabled after 26 weeks, you may qualify for Long-Term Disability (LTD) benefits, if applicable.
- STD/Pay Continuance benefits are limited to 26 weeks of benefit in a rolling 24-month period.
- You must be employed for 12 months before you are eligible for STD/Pay Continuance.

Continuous Years of Service	Short Term Disability Benefit
Less Than 1 Year	No Benefit
Less Than 3 Years	55% of Base Salary
Less Than 10 Years	60% of Base Salary
10+ Years	65% of Base Salary

Your Long-Term Disability (LTD) Plan

Long-Term Disability (LTD) insurance provides you with long-term income protection if you become disabled from a covered injury or sickness. This insurance has a preexisting condition clause that does not provide insurance for the first 12 months of coverage for any condition that you received treatment for in the 12 months prior to coverage beginning.

Your coverage under this program is equal to 50% of your base salary, up to a maximum monthly benefit of \$15,000. The company pays the full cost of this coverage.

You have two options for LTD coverage:

- You can choose the **taxable payments**, meaning you'll receive 50% of your base salary minus the applicable taxes if you become disabled.

OR

- You can choose to take the **tax-free payments**, meaning you'll receive the full 50% of your base salary if you become disabled.

Note: If you choose the tax-free payments option, you will be required to pay "imputed income tax" on the value of the benefit premium, regardless if you become disabled. In other words, the amount ACBL pays in premiums for your coverage will be added to your taxable wages. For example, if ACBL pays \$100 in premiums, your taxable wages would increase by \$100. Imputed income is reported on your annual Form W-2.

Employee Assistance Program

You and your family members have access to the ACBL Employee Assistance Program (EAP). The EAP can help you address small concerns before they become big problems. Whether the challenge is big or small, the EAP provides the tools you need to invest in your own health and well-being. Referrals and support are available for dealing with:

- Family and relationship concerns
- Workplace conflicts
- Substance use and abuse
- Stress and anxiety
- Financial and legal concerns

One confidential toll-free phone call to 866-248-4094 is all it takes to reach an expert professional who will consult with you and recommend the right resources for your specific needs. You can also go online at www.liveandworkwell.com. You also can receive up to three prepaid in-person counseling sessions. This program is fully paid by ACBL and available to all Team Members at no cost.

401(k) Retirement Plan

You can enroll in or change your contributions to the 401(k) Plan at any time.

Please visit www.Principal.com or call 800-986-3343 to enroll or make changes to your 401(k) account.

The 401(k) Plan offers:

- Tax saving options – Your contributions to the Plan can be deducted from your pay before taxes are taken out, which reduces your taxable income and, therefore, your taxes.
- Investment choice – You can select from a wide-range of investment options, from conservative to aggressive.
- Flexibility – You can contribute between 1% and 50% of your pay, subject to IRS limitations (\$19,500 a year (limits subject to change annually). If you will be age 50 or older during the calendar year, you may be able to contribute up to an additional \$6,500 (limits subject to change annually) to the plan, even if you have already hit IRS limits. You can change your contribution rate and investment direction at any time.
- Roth contributions are made with after-tax dollars. The good news is that the balance of your Roth contributions and any earnings are not taxed when you take a qualified distribution* - generally in retirement.

*Roth qualified distributions – A qualified distribution is tax-free if taken at least five years after the year of your first Roth contribution and you've reached age 59½, become totally disabled, or died. If your distribution is not qualified, any withdrawal from your account will be partially taxable. These rules apply to Roth distributions only from employer-sponsored retirement plans. Additional plan distribution rules apply.

Company Matching Contributions

- ACBL will provide an employer matching contribution of \$1.00 for every dollar you contribute, up to 2% of your pay, and \$0.50 for every dollar you contribute on the next 4% of your pay. While you can contribute from 1% to 50% of your pay, a 6% election will maximize your ACBL matching contribution.
- Matching contributions will be made on your Pre-tax and/or Roth deferrals.
- ACBL matching contributions will be contributed to your account in the plan on a pre-tax basis per payroll and will be invested according to the current pre-tax investment elections you have on file with Principal.
- ACBL matching contributions will have a 3-year cliff vesting schedule.

Vesting for the Company Matching Contributions

Vesting refers to “ownership” of a benefit from your plan. You are always fully vested in your Pre-Tax and/or Roth deferral contributions and any contributions that had been made to your account prior, such as safe harbor matching contributions.

- “Three year cliff vesting” means once you work for ACBL for at least 3 years, your ACBL matching contributions become 100% vested. However, if you were to terminate employment before you work three years with ACBL, you will forfeit all of the ACBL matching contributions made.
- Prior service with ACBL will count toward the 3-year vesting requirement.

Special Enrollment Rights and Legal Notices

General Notice of Special Enrollment Rights under the Health Insurance Portability and Accountability Act of 1996 (HIPAA)

Your Special Enrollment Rights – If you are declining enrollment for yourself or your eligible dependents (including your spouse) because of other health insurance coverage, you may in the future be able to enroll yourself or your dependents in this plan, provided that you request enrollment within 60 days after your other coverage ends as a result of:

- Loss of eligibility (due to such reasons such as death of a spouse, divorce, legal separation, termination of employment, reduction in the number of hours of employment, or reaching the lifetime maximum for all benefits), or
- Cessation of the employer's contributions to such coverage (regardless of whether you or an eligible dependent lost eligibility for such coverage), or
- Exhaustion of COBRA continuation coverage.
- You and/or an eligible dependent must request enrollment within 60 days after the loss of coverage (or within 60 days after the claim for benefits was denied in the case of reaching the lifetime maximum).

Children's Health Insurance Program Reauthorization Act of 2009 (CHIPRA)

If you or your dependents lose eligibility for coverage under Medicaid or the Children's Health Insurance Program (CHIP), or you or your dependents become eligible for a premium assistance subsidy through these programs to pay for the cost of plan coverage, you may be able to enroll for coverage during the plan year, even if you previously declined coverage. This special enrollment right will be extended to you only if you enroll within 60 days of the date you lose eligibility or the date you are determined to be eligible for premium assistance.

Qualifying Life Events

If you need to enroll in coverage or drop coverage for yourself or your spouse/dependents during the year, you can do so by completing the enrollment process AND providing any supporting documentation within 60 days of the life event. Coverage changes will become effective:

- The day of the life event for birth, adoption and death
- The first day of the pay period after the enrollment process is completed and supporting documentation is provided for all other qualified life events.

If the enrollment process is not completed or the supporting documentation is not provided within 60 days of the date of the life event, you must wait until the following annual enrollment to make changes to your coverages.

Patient Protection Notice

The ACBL Health Care Plan generally does not require the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you and/or your family members.

You do not need prior authorization from the ACBL Health Care Plan or from any other person (including a primary care provider) to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional; however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals.

For information on how to select a health care provider or for a list of participating health care providers (including those who specialize in obstetrics or gynecology), contact Quantum Health.

The benefits outlined in this material are a general summary of plan provisions, but are subject to the terms of the legal documents, which may be modified from time to time. Where this description and the official documents differ, the official plan documents or insurance contracts are the final authority. The description of administrative information is not an employment contract or any type of employment guarantee. While ACBL expects to continue the plans indefinitely, it does reserve the right to amend or terminate the plans at any time.
