

American Commercial Barge Line presents

The Tenth Annual Charity Golf Outing Benefitting The New Orleans Jazz & Heritage Foundation Wednesday, June 12, 2024 English Turn Golf and Country Club

New Orleans is one of the world's premier centers of music. For those who live or work in the city, it's not uncommon to hear young kids playing music outdoors in the neighborhoods – a tradition passed down from generation to generation. The New Orleans Jazz & Heritage Foundation is committed to keeping this tradition alive.

In addition to putting on the world's greatest music festival, "The New Orleans Jazz & Heritage Festival presented by Shell", the Jazz & Heritage Foundation sponsors four free festivals each year, numerous free jazz concerts, a robust grants program, economic development initiatives and much more. The Foundation also owns and operates the non-commercial radio station, WWOZ and the Don "Moose" Jamison Heritage School of Music, which is dedicated to perpetuating the musical traditions of New Orleans with free music lessons for children by renowned artists and instructors.

Since 2017, over 200 beginner Heritage School of Music students have been granted free instruments to help students and their families pursue learning music. Past students at the school include Troy "Trombone Shorty" Andrews, Sammie Williams of Big Sam's Funky Nation and trumpeter Shamarr Allen to name a few.

Please join American Commercial Barge Line and the New Orleans Jazz & Heritage Foundation to promote our city's priceless musical traditions.

Your participation is greatly appreciated.

Format

Scramble format, where PAR is your Friend. We will play two foursomes together on each hole. For example, Team 1A and Team 1B will play together with all eight golfers teeing off. Whichever team is away, those four players hit their second shot, while the other four players all putt, while the other team is lining up their putts. No mulligans. This is an effort to ensure a smoother pace versus most tournaments in which it's one foursome playing while you wait on virtually every shot. As an added benefit, you get to play with four additional people from our great industry!

Cost: \$3,750 per foursome, includes hole sponsorship

Hole Sponsorship: \$500

Checks payable to: ACBLTS
